

Book 2 of the New Human Intercession

Dru Delaney, one of the planetary Leaders of Delmorna, doesn't quite trust Jak Exo, her co-Leader.

Exo is too handsome, too kind, and too intelligent for the strong-willed Dru. When he announces he's leaving to explore the uncharted Northern continent, Dru decides to go with him to keep a closer eye on the man.

But what they find on that continent is more than just a lost civilization: they find passion, duplicity, and a secret that will shake the government and their society.

Now Dru has to escape with her life – and her heart – intact ...
