

Imagine being torn away from all you know and love. And now imagine being torn away from your place in time. That's what happened to Nico Haidess who is trapped, not just in time, but in a reincarnation gone wrong.

He's a Guide with the History Patrol, sent back from 2190 and now stranded in 21st century America. He's been reunited with the love of his life, Lucinda Delacroix who has been reincarnated in this place and time. There's only one problem: he doesn't recognize her as his lost love and she doesn't recognize him.

One creature can help. Cerberus is a telepathic dog on special assignment with the History Patrol, sent to bring these two lovers together. He has a vested interest in Nico's fate and he'll do whatever it takes to see Nico and Lucinda reunited – even if it means dying and defying God to accomplish his purpose.

But the clock is ticking for all of them and time is starting to run out.
